

The Workers Compensation Board Presents:

Supporting Return to Health and Work after an Injury

The Workers Compensation Board of Manitoba (WCB) invites Manitoba physicians to attend an online workshop to assist in determining fitness for return to work after an injury.

Dr. Mitch Cosman, Chief Medical Officer and Dr. Cam Stacey, Medical Consultant to the WCB, will facilitate a two-hour session where they will explore the role of the WCB, the health benefits of work and help you to identify opportunities for return to work. They will use case studies that will be applicable to your day to day practice. The session will conclude with a question and answer period.

This one-credit-per-hour Group Learning program has been certified by the College of Family Physicians of Canada and the Manitoba Chapter for up to 2 Mainpro+ ® credits.

The workshop will take place utilizing the WebEx platform. Participants must have access to:

- a computer or laptop with video and audio capabilities
- a reliable internet connection.
