WCB INTRODUCES FlexPay

More Choices for You
Premiums under \$500

If you're hurt at work, we're here to help.

FlexPay is an enhanced payroll reporting and payment system for all customers.

Report Payroll Online

All employers enjoy the convenience of reporting payroll online. Online access means greater flexibility with services available 24 hours a day, 7 days a week.

The flexibility continues when in the following year you report your actual payroll. The WCB compares the estimated payroll you reported as of July 1, and if this amount is within **25 per cent** of your actual payroll, you pay no interest.

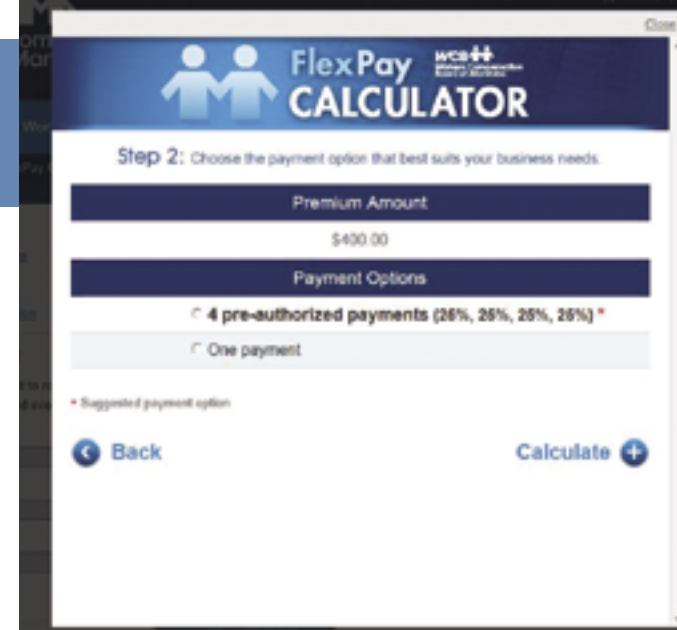

When it comes time to pay your WCB premium, you will enjoy more options and greater flexibility for when and how you make your payment.

Yearly Premium under \$500 Payment Options

- Four pre-authorized equal payments (March, June, Sept. and Dec.)
- for accounts with workers
- (Jan., March, June and Sept.)
- personal coverage accounts only
- One payment (May) - for accounts with worker coverage
(Jan) - personal coverage accounts only

Payment Methods

- Pre-authorized (debit/credit)
