For Decision

US Equity Manager Recommendation

(Board Order No. 01/25)

The Chair introduced this item on behalf of the Investment Committee. He outlined the decision to move from an actively managed US equity portfolio to a passive investment strategy. He reported that the Board previously selected TDAM Emerald Pooled US Equity Index fund, however, terms of an agreement could not be reached as TDAM would not accept the WCB's tax exempt status. The Committee then received a presentation from State Street Global Investors. All three active-style US equity manager funds will be sold and replaced with State Street Windwise US Equity Index Fund.

On motion duly made and carried,

BE IT RESOLVED THAT the Board of Directors select State Street WindWise (SSW) US Equity Index Fund as the US equity manager for the Fund.

IFRS 17 Accounting Policy

(Board Order No. 02/25)

The Chair introduced this item on behalf of the Finance Committee. He noted three of the policy choices selected last year are inconsistent with most other Canadian workers compensation boards resulting in financial statements that are not comparable to other boards. He reported that Doane has been advised of the proposed policy changes and they have agreed in principle to the change in positions proposed by the administration. In addition, Doane has met with the previous auditors about the IFRS 17 positions and the possible restatement of the 2023 financial statements. They had no concerns with the possibility of restatement.

On motion duly made and carried,

BE IT RESOLVED THAT the Board of Directors approve three significant changes in IFRS 17 accounting policies related to:

- 1. The accident fund surplus;
- 2. The worker retirement annuity fund; and
- 3. Individually assessed employer revenue.

Future of Digital Modernization Oversight Committee

(Board Order No. 03/25 & 04/25)

Glenn Hildebrand introduced this item on behalf of the Digital Modernization Oversight Committee. He noted the Committee had been established to provide oversight over a proposed multi-year Digital Modernization Program (DMP). As the DMP has been suspended, it is recommended that the Committee be dissolved. Oversight will be provided by the Audit Committee with the assistance of an external subject matter expert.

Mr. Hildebrand thanked the members of the Committee and acknowledged the work of the external experts in providing advice and direction.

On motion duly made and carried,

BE IT RESOLVED THAT the Board of Directors:

- 1. Dissolve the Digital Modernization Committee effective February 27, 2025; and
- 2. Direct the Audit Committee to ensure their Terms of Reference include responsibility for Risk Management and for IT technology oversight.

On motion duly made and carried,

BE IT FURTHER RESOLVED THAT the Board of Directors approve the appointment of Scott Greenlay as an external subject matter expert to the Audit Committee.

AWCBC Governance Summit Delegates

(Board Order No. 05/25)

The Chair noted the 2025 Governance Summit will be held in person. There was discussion regarding the selection of delegates.
